Ri-5530 shown with Optional Multi-Functional Finisher, Mailbox and 4,000 Sheet Paper Deck.

For large workgroups and departments with diverse imaging requirements, Royal Copystar has a solution – the Ri-5530. It's a comprehensive imaging system designed around a digital workflow that keeps pace with all of your hardcopy needs, paper-based and electronic.

It's Productive

Whether you need just one copy or hundreds, the Ri-5530 does it fast with a quick 3.9 second first copy, 55 letter size Copies Per Minute, simplex, and 47 letter size copies, duplexed. Connect the unit to your network and positively impact the productivity of everyone in your office.

It's Versatile

Create documents with covers and inserts. Output onto a variety of material, including 110 lb. Stock. Overlay and combine images and more. Five paper sources with a total capacity of 3,700 sheets, makes it convenient.

It's Efficient

The standard 20 GB Hard Disk Drive allows you to store documents and merge paper-based and electronic documents for reprinting at the push of a button. Batch sheet originals and pages from books and magazines and output as one document. Staple and hole punch... or create center bound booklets for a truly finished look.

It's Durable

Laser-welded pipe frame construction, Best-in-Class Drum Yield and minimal scheduled maintenance intervals means more output with fewer interruptions to keep your office running smoothly.

*Requires either Finisher Option
